# WHAT DO WE OFFER?

Your organism is intolerant to sugar, gluten, lactose, eggs, chocolate... and an important occasion like a birthday, baptism, communion, wedding, anniversary is approaching and you want to celebrate it with your friends with a tasty cake that will not do any harm to you?

We have a solution for this, we will prepare a cake according to your strict instructions, in the flavour you like best, we will agree together on the decoration, we will design a special topper.

For more details, feel free to contact us directly on +48 604 433 002 or in a private message on messenger, instagram or whatsapp, No query will be left unanswered.

# PERSONALIZE

We make the cakes with ourselves using the best ingredients. We bake sponge cakes from coconut, almond or bamboo flours. We make creams based on cream and mascarpone, and in the vegan version with coconut milk and vegan cream. Our cakes are with no added gluten, made with gluten-free products, but may contain traces of gluten.
